*"Three Of A Kind"*

I would just like to sincerely express my appreciation for a most wonderful night of entertainment yourself and "Three of a Kind" provided for us on Saturday night for my husband's 40th birthday.

We had in excess of 130 people and to have every single one of those people totally involved in the music and dancing is a great measure of your talent and professionalism. Your repertoire was enjoyed by all with even our "younger generation" joining in the atmosphere of music and fun you created.

Our thanks again for making this night such an enjoyable and memorable one for not only us, but also our family and friends.

In appreciation,

**Warren & Jeni Wright**
