Dear Kevin

We would like to thank you and your band for the provision of the following services:

1. Use of your equipment on the evening
2. The entertainment and comedy routine
3. Involving the guests in singing
4. The excellent selection of music your band played.

We very much appreciated the talent you and your band provided, your band were very helpful and professional in every way possible.

A special mention must go to Raelene and Rebecca for their professional talent which made the evening a success.

Please convey our sincere thanks to your band members for their excellent performance.

Yours Sincerely
